

Summer Reading Requirements for incoming 3rd graders

- Read the following:

Keep the Lights Burning, Abbie
by Peter Roop

This book is available in many libraries and book stores.

- Read one other grade appropriate novel. Similar level books and books from higher grade levels may be chosen by students with parent's approval.
- Students are to keep a record of books that are read during the summer. Forms are available in the main office. Each reading entry needs to be signed by the parents. Forms are to be brought to the third grade teacher the first week of school.

It may be beneficial to read the required text closer to the start of the school year so that the material is fresh in the student's mind when school begins.

Reading is such an important part of life. With it we can learn God's truth in His Word. We can also explore the world without ever leaving the house.

Have some fun this summer and spend some time at your local library!

Family Reading Time

Take time to read to your child. They are never too old to hear a book read aloud. Open up God's Word together as a family and see what the Lord would have for you!

Calvary Chapel Green Valley Christian Academy Summer Reading Program

Train up a child in the way he should go, and when he is old he will not depart from it."

Proverbs 22:6
